**About Tomizone**

Tomizone offers an extensive suite of managed services, encompassing WiFi & Analytics, Business Cloud Applications, VoIP, Data Redundancy, Business Security and Point of Sale. A monthly subscription model for all services gives SME through to multi-site enterprise clients a predictable, consolidated fee for all hardware, software, email, backup, telephony and security requirements, along with best-in-class priority support. As a managed services provider, the Company's strategy is simple: increase a client's bottom line, reduce their ICT burden, and harness their competitive edge by facilitating a stronger connection with their customers.
