## 30 September 2021 Activities Report

---

Tomizone Limited (ASX:TOM) (the Company) provides the following quarterly activity report for the quarter ended 30 September 2021.

### **Quarterly Activity Report – 1 July 2021 to 30 September 2021**

During the quarter the Company has continued to pursue its financial restructuring including negotiations with its primary lender, FE Investments Limited (**FE**) through its appointed receiver and manager. As announced on 4 October 2021 an agreement was executed with FE which will ultimately result (subject to certain conditions) in approximately \$8.2m in liabilities being converted into ordinary shares in Tomizone. On completion of the agreement Tomizone will also be released from approximately \$10m of debt guarantees it has historically provided to unrelated parties. The agreement with FE is due to complete by 1 November 2021.

In addition to dealing with FE, Tomizone is engaging with its other bondholders and corporate related unsecured creditors, the conversion of whose debts are a key part of the financial restructure. Tomizone is also continuing to liaise with the ASX as to the conditions upon which its shares can be reinstated for trading. Overall, significant progress has been made this month in regard to Tomizone's financial restructure.

- Receipts from trading for the quarter was \$863,000
- Net cash from trading operations was \$3,000
